Dear Mom & Dad,

We sure enjoyed your visit and are glad you did too. The house seemed very empty after you left. We ate at a German restaurant after leaving the airport and had venison which was a real treat.

There is still no word on our trip, although we'll probably know by the time you get this letter. We are studying Precision and looking forward to some more bridge with you.

We can't believe you stayed up so late after getting home, maybe it was all the sleep you got while here.

I guess Mary & Stella  
survived your absence with  
no permanent ill effects. Tell  
Mary that we're looking forward  
to her & Mike's visit some time.

Would you send me Gail's  
address so I can write?

The weather has remained  
mild with the temperature  
about 70° yesterday.

I'll call if our trip  
becomes definite —

Jim & Vickie
